Brain Activity Goals

This program is intended for all students going into 6th–12th grade.

Each Prize Slip requires 90 minutes of activity to be redeemed for a prize.

Limit one Prize Slip per week.

Participants must have a valid library card.

Brain activities may include READING, putting a puzzle together, practicing an instrument, doing a STEM project, Lego construction, singing & dancing, card games, painting a picture, crossword puzzles, eating with your opposite hand, going on a nature scavenger hunt, playing a sport, or a fun activity of your choice.

Activity Rewards

The aim of the program is to inspire continual learning through the summer.

Reading/Activities earn Prize Slips!

If participants have completed the required activity times, they will be eligible to fill out a Prize Slip, and turn it in to a prize jar.

Participants do not have to attend programs to earn prizes; Prize Slips may be turned in at any time during the current week.

Only 1 Prize Slip may be turned in each week.

Prize Slips are put into the prize drawing held at the end of the program.

To be eligible for the grand prize drawings, all Prize Slips must include first/last names, phone number and be turned in by 12:00 PM on Saturday, August 2nd.
